

Linganore High School Class of 2019

Golden Lance Nomination Form

For the past twelve years, Linganore High School has honored one member of the graduating class and one faculty or staff member at our Commencement ceremony. The Golden Lance Award is designed to honor one graduating senior and one staff member who each embody the six pillars of character: **Trust, Responsibility, Respect, Fairness, Caring, and Citizenship**. In evaluating nominees, no single pillar is considered more important than any other pillar.

The student recipient of the Golden Lance Award will receive a scholarship or will have a monetary donation made to the charity of his/her choice. The financial award is funded by the Class of 2019.

Only members of the graduating class may nominate persons for the Golden Lance Awards. A committee reviews all nominations and determines the two Golden Lance Award recipients. If several individuals nominate one person, each nomination form is considered. Nominations should be submitted by 2:30 PM on Friday, May 3, 2019. Only forms submitted by this time and date will be considered.
